## Level Term Insurance Plans

### For this time of your life

Raising a family, paying the mortgage, saving for your kid's college education—the time of life when your number one priority is protecting your family's financial future.

### Why?

#### Because they depend on you

And you want to protect their financial security in case you're not there to provide for them. Should you unexpectedly die, beneficiaries receive tax-free cash quickly to help offset income loss.

Term life insurance is a popular, easy, and economical way to provide your family with a financial safeguard. Term insurance offers an affordable way to ensure your family won't suffer due to lost income if something tragic happens to you or your spouse.

**Guardian Term** can help ease your mind by providing maximum insurance coverage with great premium rates that you can lock in for 10-, 20-, or 30-years.

**Guardian Plus Term** Return of Premium (ROP) plan, allows you to enjoy excellent term insurance coverage with great premium rates, and also gives you back the money you paid for the policy.» You can apply for 20- or 30-year terms.

» Initial term period only. Optional rider premiums or extra charges not included. Partial premium return, beginning in the 6th policy year, may be available should you decide to terminate the policy.
